

Court of Protection Process

INITIAL COST
£3,000 approx.
Annual Fee £320

Costs indicated are based on the above situation per application. Initial and Annual can differ based on size of estate, property and complexity. Additional costs can be incurred if application has to go to appeal. Other annual management fees may also apply.

Court of Protection took approximately 6 months to put in place.
Daughter time off work
Emotional and stressful
Invasive – having to provide personal financial details
Annual reporting and record keeping

LPA Process

INITIAL COST
£600 approx.
NO Annual Fee

3 months to set up
Much cheaper than COP
No down time
No costs for daughter
No annual reporting

The above costs are based on the situation of the individual case. Indicative cost is per application. Annual cost based on personally managed deputyship. Additional management cost per annum would apply otherwise. All fee's quotes are estimates and will differ based on personal circumstances.
